BJP demands Covid care centre for kids

As the Brihanmumbai Municipal Corporation (BMC) has already started planning and gearing up for the third wave, opposition leaders in the civic standing committee have demanded that separate covid care centres should be set up on the lines of Pune Municipal Corporation.

The state government is framing a special paediatric task force that will be responsible for procuring medicines for children, paediatric ventilators and building Covid-19 care centres for children. Meanwhile, BMC has started setting up paediatric wards in

all Jumbo Covid care centres, where 25 beds are reserved for

preventive vaccine for the age group of 0-17 years as of now. While the third wave of covid19 pandemic is antici-pated to hit the city soon, ex-perts have predicted it is in-

evitable. Considering the only age group that is still vulnerable and not yet introduced to the vaccination process, for now, we need to prepare to cater to this age group. Hence we need to prepare in advance, which we are doing. We have reserved 25 beds as paediatric in all jumbo centres and facilities will be further expanded depending on the situation," said a senior BMC official.
